■ At Kin Khao Thai we LOVE cooking food. All our chefs are Thai so you know you are getting the real deal each and every time.

All of our food is prepared at the time of order. Nothing is pre-prepared in bulk. All our meat and poultry is Irish. We use local suppliers for our fish and vegetables; and we absolutely never, ever use any MSG, additives or preservatives.

If you adore our food please tell others, if you don't, please tell us!

Our food is prepared in the same kitchen as common allergens including peanuts, pine nuts, eggs, fish, shellfish, soy and wheat, so traces of these may be found in our dishes. We cannot 100% guarantee that cross contamination will not occur.
